This is about the Fuller family, Newton and his wife Annabelle, and their daughter, Madge, who are hypnotized into taking over one of those windowless, waterless, almost roofless houses that dot the . . . country side. The ensuing troubles may be summed up as a search

for water, a quarrel with a neighbor who owns not only the brook but the very road that leads from the highway to the house, the attempted elopement of the daughter with a summer-theater actor, and the usual invasion of the week-end guests, including a prodigal uncle who is assumed to be rich but who turns out to be just another bankrupt.

Thinclads Dash For High Honors

High hopes for State grow as the Ardmore track team practices at Walker Stadium daily with Coaches Coleman, and Loafman.

At the indoor held in the Myriad, the Ardmore Tigers finished fifth with 57 schools participating. High place finishers were Pete Moore, in long jump; Merrick and Spencer in hurdles; McGee in high jump, and Nall with Lewis in the 440 and 880. Freddy Hurd was the second place finisher in the 60 yard dash. The Tigers 8-lap relay team is composed of McGee, Hurd, Moore, and Dawkins.

Coaches feel that the Tigers have State Champion material in the 100 and 220, with Hurd, Pete Moore, and Dubie Moore. In the Discus and Shot, Pierce and Beane should also excell.

**Dr. Glen Smith
PRINCIPAL**

The implications in man's ability to discover and accumulate knowledge can be seen most clearly if it is remembered that unless he destroys himself he will continue to learn as long as he lasts. What he makes of himself will depend on how he uses his knowledge and will depend on the very level, not of a few individuals, but of all individuals of our great country.

The discovery and accumulation of knowledge does not necessarily mean that man's lot will improve, for man will become increasingly lethal if he continues to gain in knowledge and not in wisdom.

Glenn N. Smith
Principal

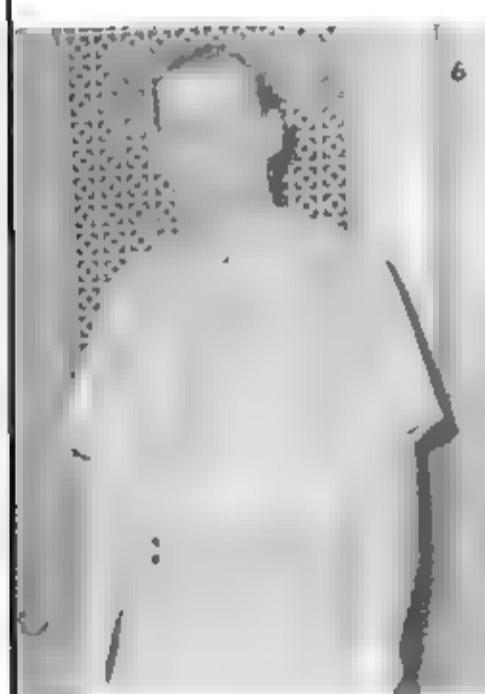

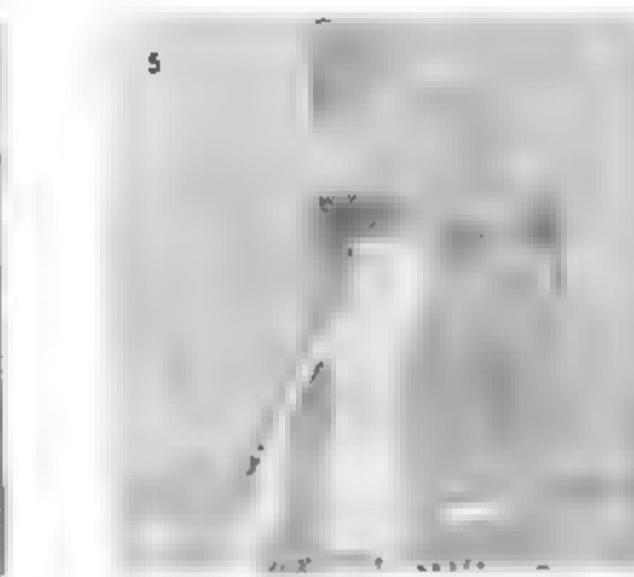

Dr. Glenn N. Smith, principal of Ardmore High School, in his fourth term at A.H.S. led the students through their first full year at the New Ardmore High School. Presiding as assistant principal is Marshall Mills.

To the readers:

No one other than those associated with this book, could possibly realize the hard, but rewarding work that goes into a yearbook.

We have tried, and hope we have succeeded in making the 1974-75 Criterion, one that will refresh memories of school days forever.

This book would not have been possible without the patient help and guidance from our advisor, Miss Jan Ringwald. I also received much help from Mr. John Clark, representative for American Yearbook Company.

Special recognition and many thanks goes to my staff for their imaginative ideas and long hours of hard work:

Photography: Tim Nagode
Jon Thompson
Sheri Feiler

Sports: Laura Moore
Boots Rabb

Layouts: Glenn Colley
Valerie Dickinson

Special thanks to:

Yea,

This has been a good year, I enjoyed working with you on the float "all the more".
I think you've generally written better

Chape le shae will like
Klondike mat'g and
"the" red kee n'kate
yellin' your self off
and I think you did
well enough. I'll write
you again when I
get back to town.
Take care, I'll write
you again when I
get back to town.

Yours sincerely,

Meeks

John

Lisa,

I want this whole page to myself. I don't really know what I'll say, but here goes. You are really a great friend to have. You really understand my feelings. I'm glad you came to Ardmore this year. You are really fun to be with. You had to put up with all my bad moods. And you had to listen to all of my talk about ★. (I'm really writing awful.) So thanks for listening to me.

I hope we can have a lot of fun this summer. Maybe we'll get together with E. & J. "Wish"! Maybe we'll have some classes together next year and the next! We can graduate and see the world. Liz, you, and I. I'm sure our parents would really agree. Who knows, maybe we'll all marry 3 brothers and have a triple wedding and live in a gigantic house. What fun.

Oh well. Back off that dream. I really hope we can have fun this summer and have some classes together. Keep smiling

Love,
Donna
